Spitz an der Donau

WEINGUT FJ GRITSCH

The FJ Gritsch winery combines the past with the present while always keeping an eye on tomorrow. Franz-Josef Gritsch represents the seventh generation of the family to run the winery in the historic Mauritiushof in Spitz an der Donau. It goes without saying that tradition and traditional knowledge are of the utmost importance here. However, top quality can only be achieved through continuous development. This is what the "kalmuck" cellar stands for, where the wine is pressed using state-of-the-art technology. In addition, there is now the impressive new wine experience world: an inviting tasting and sales room, a well-equipped event area with show kitchen and three stylish and cozy vacation apartments have been created in and around the historic Mauritiushof, from whose terraces you can enjoy a breathtaking view of the famous Singerriedel vineyard. The hotel's own large underground parking garage rounds off the overall concept. The combination of tradition and the present is also evident in Franz-Josef Gritsch's vineyards: he has recultivated countless stone terraces in recent years - for example in the chal-

lenging Kalkofen vineyard in the Spitzer Graben, i.e. in the climatic border area where viticulture is still possible. The Rieslings that grow here are characterized by their coolness, elegance and firm structure. Gritsch also cultivates the Burgweingarten vineyard in Dürnstein, the last large vineyard within the historic town walls. The steeply rising stone terraces do not allow for any mechanical processing - this is the epitome of manual work that pays off: the result is a great, multi-layered and profound Riesling.

(99) Riesling * Ried Kalkofen 2025

13,5 Vol.-%, cork, cement/large wooden barrel,
€€€€€€

98 Riesling * Ried Kalkofen 2024

Pale yellow, green hints, silver reflections. A very seductive bouquet, with highly attractive aromas of yellow tropical fruit, nuances of pineapple and passion fruit, a cool style, a subtle savouriness and a dark minerality. Very elegant, yet full-bodied and fruity, notes of ripe peach, fine acidity and great length. Definite ageing potential, but can be enjoyed now.

98 Riesling * Ried Kalkofen 2023

13,5 Vol.-%, cork, large wooden barrel, €€€€€€
- 95 Grüner Veltliner * Ried Singerriedel 2024**
Pale yellow, green hints, silver reflections. Subtle aromas of yellow tropical fruit, a delicate herbal savouriness, notes of Golden Delicious apple and candied orange zest. Juicy, opulent and harmonious, with ripe yellow fruit and mineral notes. An approachable, juicy food wine, that will become more intense and even more elegant with a little bottle ageing.
